

# REVIEWTRACKERS

Manage your online reviews in one place

Online reviews can impact and shape consumer behavior. And with more and more consumers taking to social media to give immediate feedback on purchases—you need to be ready to respond. One survey found that 82 percent of consumers read online reviews for local businesses<sup>1</sup>. Be in the know and take control of your online reputation today.

## Simple and intuitive

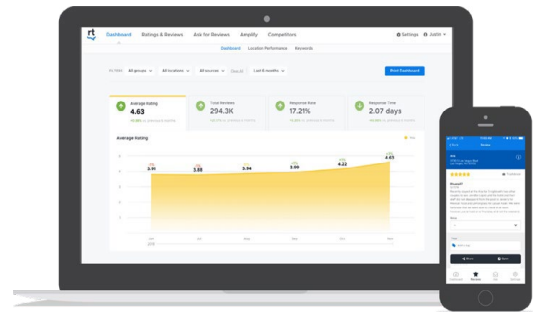

Effortlessly aggregate your business reviews from 10+ review sites including Google, Facebook, Yelp and Trip Advisor. Use actionable data to optimize your ratings and how you appear to online searchers all in one dashboard.

## Empower your business

ReviewTrackers makes it easy to manage reviews from the sites that matter to you. It enables your business to:

- Aggregate and manage reviews in a single comprehensive dashboard
- Track and analyze your reputation over time
- Gain deep insights into the customer experience
- Encourage customer loyalty
