

Are you meeting the payment demands of a new generation?

Unlock your debit payments strategy

As a modern bank, you face a difficult question when it comes to customers. How can you ensure that money moves harmoniously between banks, consumers and businesses, and how do you strike a balance between retaining your loyal older account holders and attracting a new generation?

Here are **three key steps** to build strategic growth and continued relevance with debit.

Visibility

Truly **understand** the risks, rewards and opportunities that affect your business.

Get actionable insights for debit card management by delivering real-time data on debit activity and portfolio profitability and gaining a consolidated view of your customers.

Customer experience

Engage with customers – in the way they want you to.

Elevate the customer experience by offering innovative but intuitive self-service tools for managing individual debit needs and controlling where, on what and how much a card is used.

Simplicity

Evolve your work environment to create optimal conditions for the staff and the business.

Provide an open ecosystem and a single, comprehensive user interface for multiple activities, including debit, ATM, fraud, reports and card processing, as well as APIs and data tools.

Unlock competitive advantages with advanced debit solutions

To learn how FIS® Payments One Debit can help move money more effectively 24/7, drive growth for less cost, prevent fraud and maintain regulatory compliance, consult your relationship manager or [contact us](#).

UNLOCK DEBIT GROWTH
