

ANSWER CARD

A prepaid solution that meets the mandate of quick delivery and simple access to funds in times of natural disasters or relief assistance.

FIS Answer Card

There are instances where families, individuals and communities are instantly left with little or no access to fundamental financial needs. In these situations, relief money needs to be disbursed quickly as an important step in rebuilding the lives of these individuals or families. To help solve this problem there are 1.5M charities, nonprofits and foundations that disburse assistance through individual and public assistance programs.

To support a simple, turnkey solution, FIS® has created the Answer Card. This new solution provides individuals with near real-time access to funds which allows them to quickly start rebuilding their lives.

What makes Answer Card a reliable solution?

While dealing with adversity in the face of a natural disaster, it becomes a matter of concern to have a trustworthy payment solution, which the FIS Answer Card promises with utmost transparency.

Timely financial assistance offers instant solace and hope to rebuild lives. Trust Answer Card Prepaid Solution to make it possible within a few minutes.

What's more, it is easy to access for the recipients and can be used without any hassle. Indeed, this solution delivers a one-stop solution for distressed families and individuals who need immediate financial support.

FIS Answer Card is a distinctive solution that helps empower communities during the crisis by providing timely monetary relief to the needy.

In a nutshell, Answer Card commits to consistency, security and integrity. Get hold of the card now!
